

Capability Statement

Company Overview

Primacare Companions provides compassionate and comprehensive Care Coordination Services for adults with disabilities and older adults. We bridge the gap between healthcare, community resources, and families—ensuring individuals receive the right support at the right time. Our mission is to promote independence, dignity, and quality of life through evidence based, innovative solutions, while reducing stress for families and caregivers.

Core Capabilities

- Comprehensive Assessments – Evaluate medical, functional, and social needs to create holistic care plans.
- Individualized Care Planning – Develop customized, goal-oriented care strategies for each client.
- Healthcare Navigation – Coordinate communication across physicians, specialists, therapists, and caregivers.
- Resource Connection – Link clients to housing, transportation, meal services, financial aid, and in-home support.
- Ongoing Monitoring – Provide regular check-ins and adjust care plans as needs evolve.
- Advocacy & Family Support – Educate and guide families, ensuring access to services and peace of mind.

Differentiators

- Holistic Approach – Address medical, emotional, and social needs in one seamless process.
- Trusted Point of Contact – Families and providers benefit from one dedicated coordinator.
- Crisis Prevention – Proactive monitoring reduces unnecessary hospitalizations.
- Experienced Team – Skilled coordinators with backgrounds in healthcare, social work, and case management.
- Client-Centered Care – Services are tailored to promote independence, dignity, and respect.

Past Performance / Experience

- Successfully coordinated care for seniors transitioning from hospital to home care.
- Linked individuals with disabilities to long-term community resources, enhancing independence.
- Provided caregiver education and advocacy, reducing family stress and improving outcomes.
